

Language course for children in kindergarten- & primary school

**LEARNING
GERMAN
WITH JOY**

KIKUS method
**child-friendly,
multilingual,
with heart**

That's what sets us apart

- Language development suitable for children
- Focus on individual language development
- Building self-confidence and self-expression
- Taking into account the child's background and language
- Tried and tested content
- Closely based on everyday life in a nursery
- Kikus certified
- Method suitable for German learning (Deutsch 240) in nursery and primary schools

We lay the foundation for language skills and self-confidence!

Monthly fee: 69 €

It is important to us that every child can take part.

If you are currently unable to make a contribution, we would be happy to help you find funding opportunities or suitable sponsors.
